

CPT302 Week 5 In-Class Exercises with Solutions

Name and Surname: _____

Student ID: _____

Meeting Scheduling

The following diagram illustrates the schematic of a practical reasoning (“BDI”) agent:

Given the following appointment requirements:

- ✓ Date: June 1, 2015
- ✓ Time: 9:00 - 12:00
- ✓ Location: **SB252**
- ✓ Duration: 30 minutes

Task: Apply the above practical agent to find out a free time slot for meeting which satisfies the given appointment requirements.

Ans (one proposed solution):
